

Symbol Identification (symbols include addition, subtraction, how many, and equal)

$$\text{---} + = \square + \text{---} = + \mathbf{8}$$

$$+ \text{---} \square \text{---} = \square + \square = \mathbf{16}$$

$$= \square + \square + \text{---} \text{---} + \mathbf{24}$$

$$+ = = \text{---} + \text{---} = \square \mathbf{32}$$

$$\square \text{---} = \square + = = \text{---} \mathbf{40}$$

$$= \text{---} + = \square \text{---} = + \mathbf{48}$$
